

Interview with Cornell Tech Admissions

Q: What is special about your MBA program? In addition to its' excellent reputation, what differentiates it from other Top MBA programs?

A: Our STEM-designated, Tech MBA program is a one year, accelerated program designed to teach students the fundamentals of product development via our unique studio curriculum, in addition to tech-focused business coursework with intensives in digital marketing and fin tech.

Q: Are there any recent changes in the programs or in the admission process?

A: No

Q: Has the COVID-19 situation have an impact on getting accepted to the programs at your school? Is there any other impact candidates should be aware of?

A: Students can visit <https://tech.cornell.edu/coronavirus/> for up-to-date information on how COVID-19 has impacted the Cornell Tech campus.

Q: Can you share some details about the atmosphere in the school? Amongst the students? Between students and faculty? How do students spend their free time?

A: Our New York City based campus is a collaborative environment where our MBAs take classes right alongside engineers, computer scientists, and lawyers. When students are not in class or in Studio, they are taking advantage of all that the New York City tech ecosystem has to offer including networking groups, special closed-door events with C-Suite level executives in Tech, and

Q: Can you share some details about the area the school is located in?

A: Roosevelt Island, New York City

Q: What is it that you are looking for in a candidate? Who will especially enjoy this school? who will be a good fit to the school?

A: Our admissions committee looks for entrepreneurial students with digital experience and at least three years of post-graduate full-time employment in a tech centric organization.

Q: Are later rounds worth considering?

A: Yes, all applicants are fully considered regardless of when you apply. However, if you wish to take advantage of our merit scholarship opportunities, we strongly encourage you to apply in Rounds 1 and 2.

Q: Is there anything you'd like our candidates to know regarding the admissions process?

MBA FAIR

Email
Info@MBAFair.org.il

A: Competitive candidates will be invited to participate in a 30-minute ZOOM based interview with a member of the admissions committee. Candidates will receive a case study prior to interviewing that must be presented as part of their admission interview.
