

### *No. 1 Education Experience*

Students engage in more than 500 business cases, broadening perspectives through thoughtful debate, discussion and analysis. It's what *The Economist* has called the United States' best education experience nine years in a row.

### *Teamwork Makes a Network*

You'll find our graduates at the core of organizations like McKinsey & Co., Amazon, Google and JPMorgan Chase. Students have access to a network of more than 17,000 Darden alumni in 90 countries across the world.

### *Top-Ranked & Accessible Faculty*

Our professors are deeply committed to the professional and personal development of students, and their accessibility is unparalleled. Did we mention they are the best in the world?

### *Robust Career Support*

Our team of career coaches spans every major industry, function and geography. They bring decades of industry and MBA coaching experience to help Darden students excel in the internship and job search process.

### *Life in Charlottesville*

Consistently top-ranked for lifestyle, health and business, "C-ville" brings together the cultural amenities of a large city with the scenic beauty of the Blue Ridge Mountains.

Jennifer Bundy (Class of 2022)  
Executive VP, Darden Student Association

*As a former high school and college debater, the case method was really appealing to me. I loved that we could challenge each other as students and also learn from some of the best business faculty in the world. Darden is a destination program that students from all over the world attend — another major reason I felt Darden was the right fit. You truly have the opportunity to meet and get to know most of your classmates."*
