

Q: What is special about your MBA program? In addition to its' excellent reputation, what differentiates it from other Top MBA programs?

A: Choice is at the heart of the MBA with multiple opportunities to tailor the program to meet your needs. In an intense 15 months, you will gain the skills and experience necessary to change your future in Europe or beyond

Q: Are there any recent changes in the programs or in the admission process?

A: ESMT warmly welcomes applications from students of all nationalities. We are an international business school that thrives on international exchange and discourse, and the ESMT community is committed to building peace.

The application process helps us learn about each other. You want a program that will accelerate your career and open up new opportunities. We want a diverse group of professionals who share our values, want to be part of our mission to develop responsible leaders, and who will thrive academically, personally, and professionally in the MBA program.

Q: Has the COVID-19 situation have an impact on getting accepted to the programs at your school? Is there any other impact candidates should be aware of?

A: No, all teaching is offered in a hybrid mode although students are expected to attend classes on campus whenever able.

Q: Can you share some details about the atmosphere in the school? Amongst the students? Between students and faculty? How do students spend their free time?

A: ESMT's campus in Berlin, Europe's most vibrant capital city, makes student life dynamic, upbeat, and rewarding. Your degree isn't just about learning in the classroom. You'll be challenged to take full advantage of Europe's largest and strongest economy. Find out what life in one of Europe's top business schools is really like here, and discover all the ways that you can make the ESMT experience a transformative time for you.

Our campus is located in the center of Berlin - steps from Museum Island, a UNESCO World Heritage Site, and a 10-minute walk from Alexanderplatz. The city offers numerous opportunities to explore museums, nightlife, cuisine, and the surrounding landscape. Access to endless other European cities is made cheap and easy, with night trains and flights of one to two hours available to all major European capitals.

On campus, students can participate in clubs and activities to grow their network and explore their interests. The small, intimate atmosphere allows networking opportunities between students of all degree programs.

Q: Can you share some details regarding job opportunities and summer internships for students in your school?

A: ESMT's Full-Time MBA program is designed to develop future leaders for the next step of their careers. Throughout the MBA program, you work individually with coaches, mentors, and advisors who can give you professional feedback and advice on how to achieve your goals and transition into your
