The journey of a lifetime

Young Professionals

Why **IESE** Business School?

You aim high. You aspire to lead.
You want to make a difference.
You want to achieve a leadership
based on professional excellence,
integrity and spirit of service.
Welcome to IESE Business School.

At IESE, the business school of the University of Navarra, we're committed to developing business leaders who strive to make a deep, positive and lasting impact on the people, companies and society they serve.

Since 1958, more than 50,000 executives from all over the world have experienced our integrative, people-centered, and socially-responsible approach to decision making in business and organizations.

Our programs are transformative journeys towards personal and professional growth. Our professors, advisors and partners, are active at the highest levels of business and academia. You will feel challenged by their rigorous research and state-of-the-art teaching methodologies.

We are truly global. Our unique reach goes beyond our 5 international campuses and over 50 academic alliances with top universities. In our classrooms, you'll find the brightest talent from over 130 nations. And you will become part of our highly global community of partner companies, alumni and friends.

We believe in the individual as a force for change. We believe in good will, in giving your best and in helping society through your work. We work to develop effective managers, responsible leaders and better people.

We are IESE Business School.
A way to learn. A mark to make. A world to change.

“IESE encouraged me to step into uncharted waters and to trust the process. The program is designed to challenge you, help you break out of your comfort zone and guide your journey of self-discovery. Your responsibility is to be proactive and to leverage the excellent resources available. It was during the program that I figured out where my strengths can have the greatest impact and what kind of leader I want to be in the future.”

A lifetime of **impact**

It takes time, space and depth to build the foundations of a lifelong career.

At IESE, you'll be stretched, pushed and challenged to master the essentials.

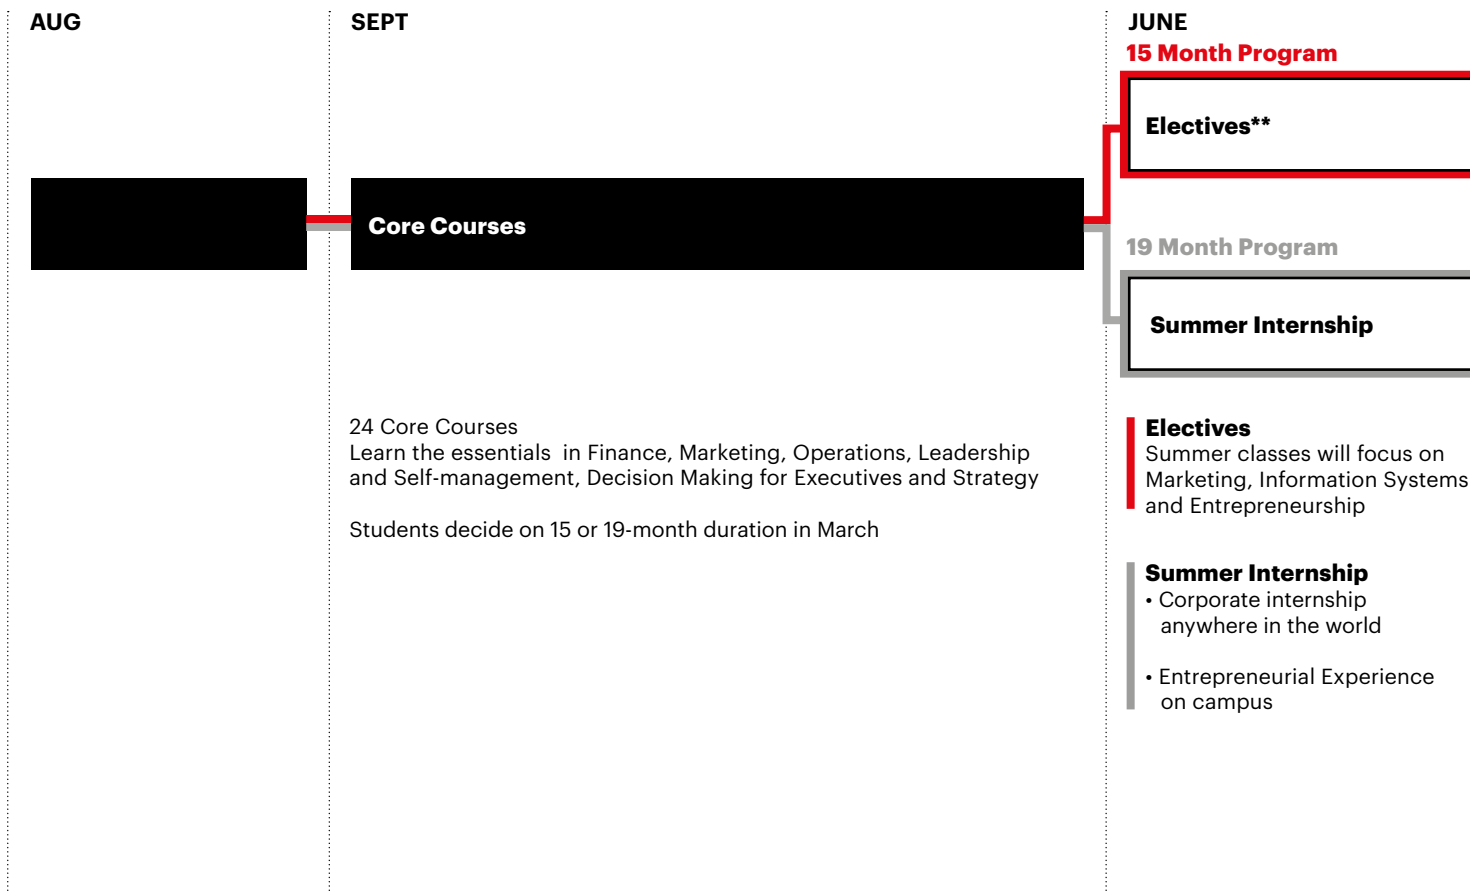

You'll hone your entrepreneurial skills, and you'll be exposed to business concepts in different sectors, markets and regions – across five continents.

Whether you complete the program in 15 or 19 months we will give you a lifetime of impact.

Concentrations During the elective courses, students can choose specific courses in the following categories to earn a concentration along with their MBA diploma:

Program Structure: 15 or 19 Months

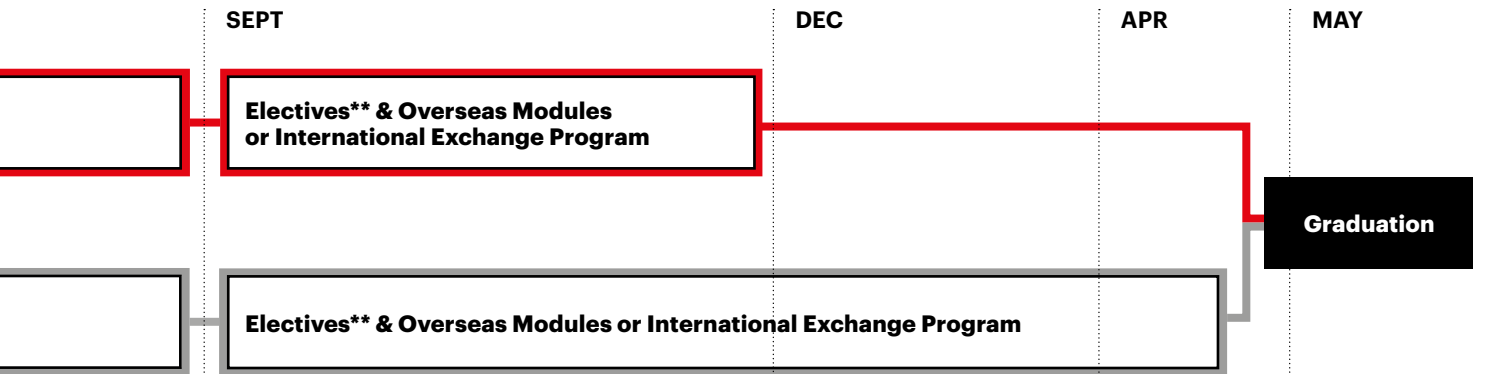

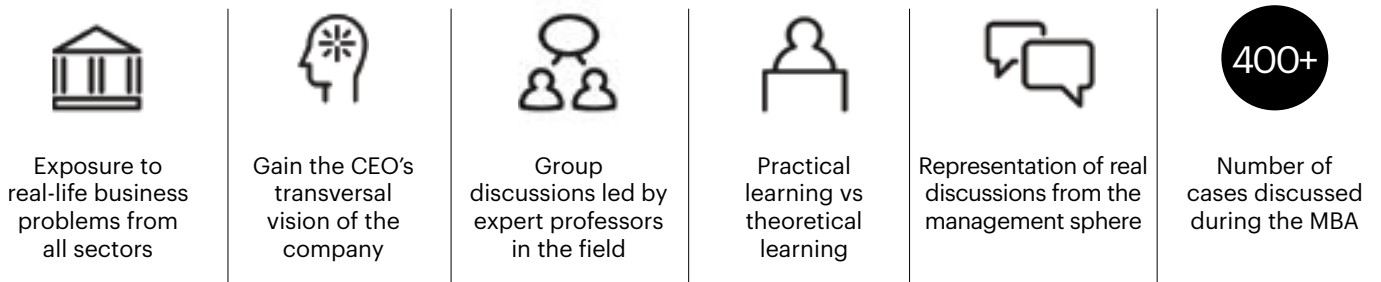

*You have the option to take the Business Spanish Courses throughout the MBA
 **More than 130 electives are available at IESE

The Case Method

At IESE we use the Case Method whenever it can be used because we find it to be the most effective way to leverage each classroom's immense diversity.

All our cases are taught in alignment with Harvard Business School's teaching method, which enables discussion of real business situations from a general management perspective under the guidance of world-class faculty.
